What's Your Angle?

Castle's 2023 Woodworking Competition for High School Students, Classes and Programs

Showcase your talent and craftsmanship and submit your project for a chance to win:

Grand Prize/Individual Entry: Castle 110 Pocket Cutter Professional Bundle: This will be awarded to the high school student/individual who submits the winning entry.

Grand Prize/High School Program or Class: TSM-12 Pocket Cutting Machine. This will be awarded to the high school program or class who submits the winning entry.

Entries Open: September 1, 2023

Entry Deadline: May 1, 2024 at 11:59PM

Winners will be announced May 15, 2024

Rules: You do NOT need to use Castle machines or products! You DO need to incorporate pocket joinery in your project. See more below:

Individual Entries: The competition is open to all high school students in the USA or Canada. It's free to enter. Please make sure read all the rules before submitting your entry and photos of your project. Submissions that do not follow the rules will be removed from the competition.

Starting September 1, 2023, Enter the contest by filling out the following form, “**What’s your angle?** Entry Form”. Please email the completed form and photos of your project to ***whatsyourangle@castleusa.com***. Photos should include one to two overall pictures of your woodworking project along with pictures showing your use of screw pocket joinery or your innovative use of screw pockets. Please do not submit more than six pictures of your work. Photos should only jpg or png files. Please make sure photos are no larger than 2.5mb each. Files too large or movie files will be automatically deleted. Incomplete submissions will not be accepted. Judging of your project is based on the photos you post, so make sure they are good quality photos.

Projects can only be entered one time, either as an individual or for a program/class. However, you can have one project entered as an individual and a second project can entered as the program/class competition.

You must reside in the United States or Canada to be eligible. Projects from residents of countries outside the USA and Canada will not be accepted.

At least 75% of the submitted piece(s) must be done in wood.

All projects must have been created within the last 12 months.

We will not accept unfinished pieces or projects in progress.

Judging:

Entries open September 1, 2023 and close on May 1, 2024. Our team of judges will choose the overall winner on May 15.

Judging consideration will be given to:

- Overall look/presentation of the project
- Most effective use/most innovative use of screw pocket joinery

We will be contacting winners by phone and require a valid phone number where you can be reached. If you are a winner and cannot be reached or do not respond within 72hrs, we will offer your prize to another contestant.

Thanks for Entering!
